VENDICARI LIDO CHAIRS by JANGIR MADDADI

Structure:

Flat aluminum bars and support rods with embossed powder coating: OC1 pure white - RAL 9010. Cushion upholstery removable in fabric (included in price)

Notes:

• The base beams are fastened with AISI 304 stainless steel screws, varnished in the same colour as the structure

• The removable cushion is fixed to the structure by means of automatic buttons, which allow it to slide between the

backrest and the seat. When used on the backrest, the cushion is fastened to the upper side by means of a specific pouch where the extremities of the slats are inserted

• The furniture of the outdoor collection is designed for covered outdoor spaces, such as verandas, balconies and terraces: when not used, it is recommended to put the

appropriate protective cover on the products after their complete drying to prevent the accumulation of moisture

and formation of mold
